

NOTICE OF REA APPLICATION AND EBR REGISTRY POSTING

for the Sunderland Solar Farm

Project Name: Sunderland Solar Farm

Project Location: 1690 Concession Road 7, Township of Brock

Dated at: the Township of Brock this the 18th day of October 2012

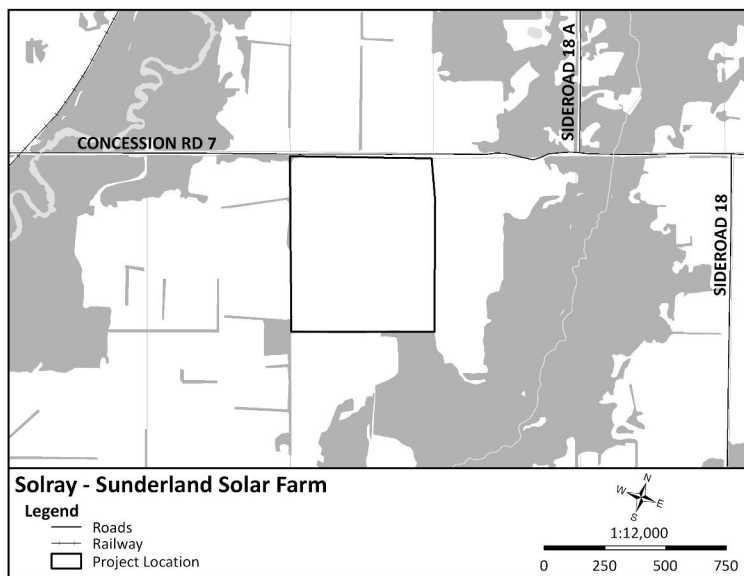

Solray Energy Corporation (Solray) is planning to engage in a renewable energy project which will require the issuance of a renewable energy approval (REA) by the Ministry of the Environment (MOE). The Sunderland Solar Farm would be located at 1690 Concession Road 7 (between Ridge Road and Sideroad 18A), Sunderland, in the Township of Brock and Regional Municipality of Durham, Ontario.

A proposal for a renewable energy approval in respect of the Sunderland Solar Farm has been posted on the environmental registry referred to in section 5 of the *Environmental Bill of Rights, 1993* (EBR). Comments in respect of the proposal may be submitted to the Director.

The distribution of this notice as well as the project itself, are subject to the provisions of the *Environmental Protection Act* (Act) Part V.0.1 and *Ontario Regulation 359/09* (Regulation). This notice is being distributed in accordance with subsections 15.2 (1) and (2) of the Regulation after an application for renewable energy approval has been submitted to and assessed for completeness by the Ministry of the Environment and has been posted on the EBR registry for public review. This information can be accessed as follows: www.ebr.gov.on.ca and EBR Registry Number: 011-7318.

Project Description:

Pursuant to the Act and Regulation, the Sunderland Solar Farm is a Class 3 Solar Facility. If approved, the facility would have a total maximum nameplate capacity of 10MW. The project location is shown in the map below. The project is being proposed in accordance with the requirements of the Act and Regulation.

Documents for Public Inspection:

Draft copies of the REA documents were made available for public review on April 20th, 2012 at the Township of Brock Municipal Office. The final reports, prepared as part of the submission of a renewable energy approval application to the MOE for this project, have now been posted on the proponent's website: www.solray.ca/projects.
